Sacred Path is an enterprise of the Pascua Yaqui Tribe and its Enrollment Department will be hosting this year's 4th Annual ETC Informational Session. The session will entail what is required under the ETC Program and Memorandum of Agreement with the Department of Homeland Security Customs and Border Protection (DHS/CBP). We intend to educate interested tribes in the importance of an Enhanced Tribal Card and the benefits to the tribe and its members. In attendance will be DHS/CBP representatives available to discuss some of the issues tribes experience when dealing with travel and fraud. On hand will also be an experienced graphic design artist who will explain the different levels of embedded security card features when designing an ETC.

This year's Informational Session will require a registration fee of \$150 per attendee due by January 10, 2020. Late registrations received after the due date or at the door will be \$200. Breakfast and Lunch will be provided. **PLEASE MAKE HANDWRITING LEGIBLE - REGISTRATION FEE IS NON-REFUNDABLE.**
